# Private Mailbox Rentals

Please ask about our availability.

- 24 Hour Mail Access
- Mail Forwarding(fees apply)
- Call-in Mail Check
- Package acceptance from multiple carriers (FedEx, UPS, USPS, Ontrac, GSO)
- 6-Month Minimum term to start. +\$10 Set-up Charge
- 3-Month term rentals available after initial term.

Mailbox rentals are based on a package tier system. Each tier reflects the average number of packages received per month. At the end of your rental term, we'll review your package volume. If you'd like to renew, your new rate will reflect your average monthly package count, making sure you're always on the plan that fits you best.

Example:

If you open a Small mailbox for 6 months at \$100 (+ \$10 setup fee) and average 15 packages per month, your renewal rate would move to the Minaret Tier — \$130 for 6 months or \$230 for 12 months.

**June Tier** — Average of up to **10** packages per month  
**Minaret Tier** — Average of up to **15** packages per month  
**Whitney Tier** — Average of up to **25** packages per month  
**Range of Light Tier** — Average of up to **50** packages per month

If your average exceeds your current tier during your rental term, your renewal rate will adjust to the appropriate tier at the end of that term.
